

For the People of our Parish

The Area Catholic Community of Mayhew Lake, Sauk Rapids, Sartell, and St. Stephen

Updates for the hybrid meeting at St. Francis-Xavier and via Zoom on October 6th, 2020.

- Stewardship - Our four parishes have volunteers to help foster stewardship activities within their respective parish. As part of the larger ACC stewardship committee, they will begin by sharing ideas for education to the concepts of stewardship; giving thanks for and sharing all that God has given us.
- Young Adults - We are connecting with each parish to organize a unified Young Adult group to serve young adults from our 4 parishes.
- RCIA - Working to align RCIA and Baptism preparation classes within the 4 parishes.
- Evangelization - Volunteer representatives from our 4 parishes met to greet and meet each other, and to begin to organize as an "Evangelization team". The next goals are to establish a leader for this team as well as develop a letter to welcome everyone in our One in Christ ACC.
- Worship - A Mass schedule for the upcoming Holy Days is being developed for the period through New Year's Day.
- Parish Pastoral Council Engagement - Representatives from Our One in Christ ACC Council are meeting with their respective parish pastoral councils to "listen and learn". It is paramount that our Parish Pastoral Council is engaged and that we keep everyone informed of ACC activity progress; open communication is vital. At this time all four parishes will continue to have their own parish pastoral council and councils will continue to be invited to the conversation as recommendations are made by the St. Cloud Diocese.
