## MINISTRY & LIFE PERSPECTIVES

From safari....

Walk through any garden center and you will see a variety of firepits for patios/backyards. We are both mesmerized and frightened by fire. With family, friends, and neighbors we sit around firepits. We recline in front of fireplaces. Lack a fireplace, check out YouTube or your cable channels. At the same time we invest in smoke alarms and fire extinguishers.

Fires are destructive. Homes are destroyed. Lives are lost. Long standing forests are left charred. In the case of nature, fire can be beneficial. The fire allows new growth to take place and, in some cases, it is only fire that will bring these plants to life.

In the Gospel, Jesus tells the disciples, he has come to set the earth on fire. Fire is purification, an act of judgment. Jesus has come to cast out the evil in the world and to draw people to following the will of God. In the Acts of the Apostles, tongues of fire descend upon the disciples. Set on fire, the disciples overcome their fears and preach the good news.

For Luke, a follower of Jesus is to be both on fire with God's love and setting fires. At our baptism, the fire of God's love was poured upon us. As disciples we are to be united to God's will. We are to be God's instruments in the world which burn away evil and bring about new life.

With our hand on the bible, we also need to have a finger on the pulse of the world. The message of the Gospel will bring division because it challenges the values of this world. The gospel says --- service rather than weapons; love rather than hatred; welcome rather than exclusion; forgiveness rather than revenge; peace rather than conflict.

The writer of Hebrews tells us to keep our eyes fixed on Jesus Christ. Jesus shows us the way. He had his struggles with the religious people and others. Midst his struggles he was consistent in bringing the message of God's love. He accepted his father's will in life even though it meant dying on a cross.

Our weekly gathering as community helps keep our flame of faith burning, to follow Jesus boldly. Enabling us to follow Jesus' lead. And every time we gather, we are surrounded by that great cloud of witness.

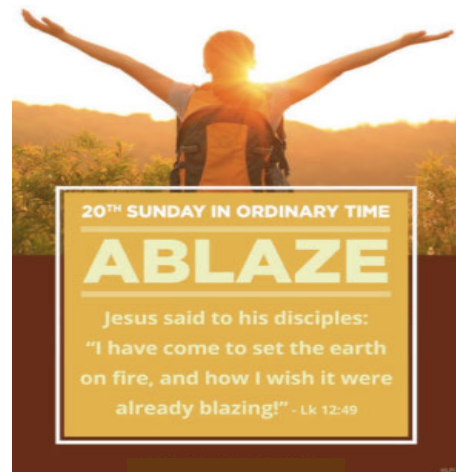

## (Ministry & Life Perspectives Continued)

Included among those saintly witnesses are our departed loved ones, friends, and mentors, all encouraging us to remain faithful in trial. Nourished by Word and Sacrament we go forth our souls on fire, to bring the fire of God justice and love into our spheres of influence.

As Jesuit Teilhard de Chardin wrote: "Someday, after mastering the winds, the waves, the tides and gravity, we shall harness for God the energies of love. And then, for the second time in the history of the world, man [sic] will have discovered fire."

Blessings on your week!

**Fr. Ron**

## STEWARDSHIP AND EVANGELIZATION

### LIVING A LIFE OF DISCIPLESHIP

*"Do you think I have come to give you peace on Earth? No, I tell you, but rather division"*  
(Luke 12:51).

Many of us like to play it safe and not cause waves. We don't want to cause any turmoil. However, many times this is at the expense of the truth. The truth being Jesus Christ. Too many people are misguided because they rely on their own limited human ability to reason and are not allowing faith in God to guide them. Form your conscience; take a stand for life and the common good of all.

#### PRAY WITH THE CENTRAL MN CATHOLIC WORKER

August 14, 28, September 11, 25 - Sundays at 3pm on the grounds of St. Benedict's Monastery - by the yellow barn/Vista Lane on the west side of the campus

There are many among us who are experiencing spiritual dryness or complacency at this time. We invite you to come together in community to pray together for the needs of our world in the spirit of the Stations of the Cross format. Each Sunday we will pay attention to 3 different issues happening in the world that need our prayers. This will be followed by root beer floats and shared conversation. Bring kids and family. Bring friends and meet new ones. May we find support and solace among each other. For more information - [centrlmncw@gmail.com](mailto:centrlmncw@gmail.com) or 320-3190.

#### ONE IN CHRIST SLIDESHOW

The name of our ACC says it all. We are "One in Christ", but we are four different parishes. Our parishes are all unique and have their own traditions, events and customs that make them the communities they are. Let's share the things that make our parishes special and celebrate all the wonderful things our ACC has to offer.

Please spend some time considering what you think of when you think about your parish? What is the activity, person, event, group, you name it, that says "this is my parish" to you? Don't worry if it is something that another parish has, share it anyway.

Now, go take a picture and send it to me. Send me a picture you already have. Don't have a camera handy? Send me a description instead. You can email me, send me a letter or even call me (leave a message if I am not in the office). The goal is to have this put together in time for our ACC Mission on October 2nd and 3rd.

I'm looking forward to seeing your parish through your eyes.

Thank you!

## PARKING LOT REPAIR

Our parking lots will be receiving some much needed care. The south lot will have a portion of it tore out and repaved. The balance of that lot will be seal-coated and re-striped. The north lot will be crack-filled, seal-coated and re-striped. That means there will be some adjustments for parking in the next couple of weeks.

The south lot will be closed next Tuesday, August 16 for prep work and Wednesday, August 17 for repaving. The north lot will be crack-filled and seal-coated on Thursday, August 18<sup>th</sup> and Friday, August 19<sup>th</sup>. When this work is taking place staff, parishioners, and visitors will have to alternate which side of the parking lot to use. Please adjust your parking habits accordingly. Pray for good weather, safety for the workers, and patience and understanding for all who are coming and going over this time. Our community is experiencing all kinds of traffic challenges. For a short time there will be parking challenges at St. Francis as well. Hang in there – we'll get through this!

As we learn more about the balance of the seal-coating and re-striping timeline, that information will be shared. This is a \$50,000 expense that couldn't put off any longer. Any extra gifts to help paying for this will be appreciated. Good stewards from our parish come through when help is needed. Our parish is very blessed!

## FRANTOBER FEST NEWS

Parish festival packets are ready for pick-up in the gathering place. The funds raised from our festival help all ministries of our parish, so we count on the support of all of you to help by buying or selling the raffle tickets, making donations and helping by sharing time and talents in making the festival happen. Many parishioners and businesses have done this already by donating for the prizes, contributing to the silent auction, sponsoring the Franny Flyer, or making general donations for the festival. Thank you.

In the packet you will find more information and many other ways to give – straight cash gifts, prizes for BINGO, Bakes Sale items, Cake Paddle donations and more. The festival is September 17<sup>th</sup> & 18<sup>th</sup>, so it's about a month away. Please see how you may be able to help. There is a list of events/activities that need helpers. Please contact the leaders listed with your offer to help. Most opportunities to help are for an hour or 2 or 3 on the weekend and there are opportunities for youth and adults. The Franny Flyer, BINGO and Food Stand on Saturday and the breakfast on Sunday morning will need the most help. Please say yes if you are called to help. In time there will be sign-up sheets in the gathering place and sign-up genius for those who like to look online.
